

This file contains multiple Azure landing zone (ALZ) architectures and diagrams. Please choose which architecture/diagram you'd like to view.

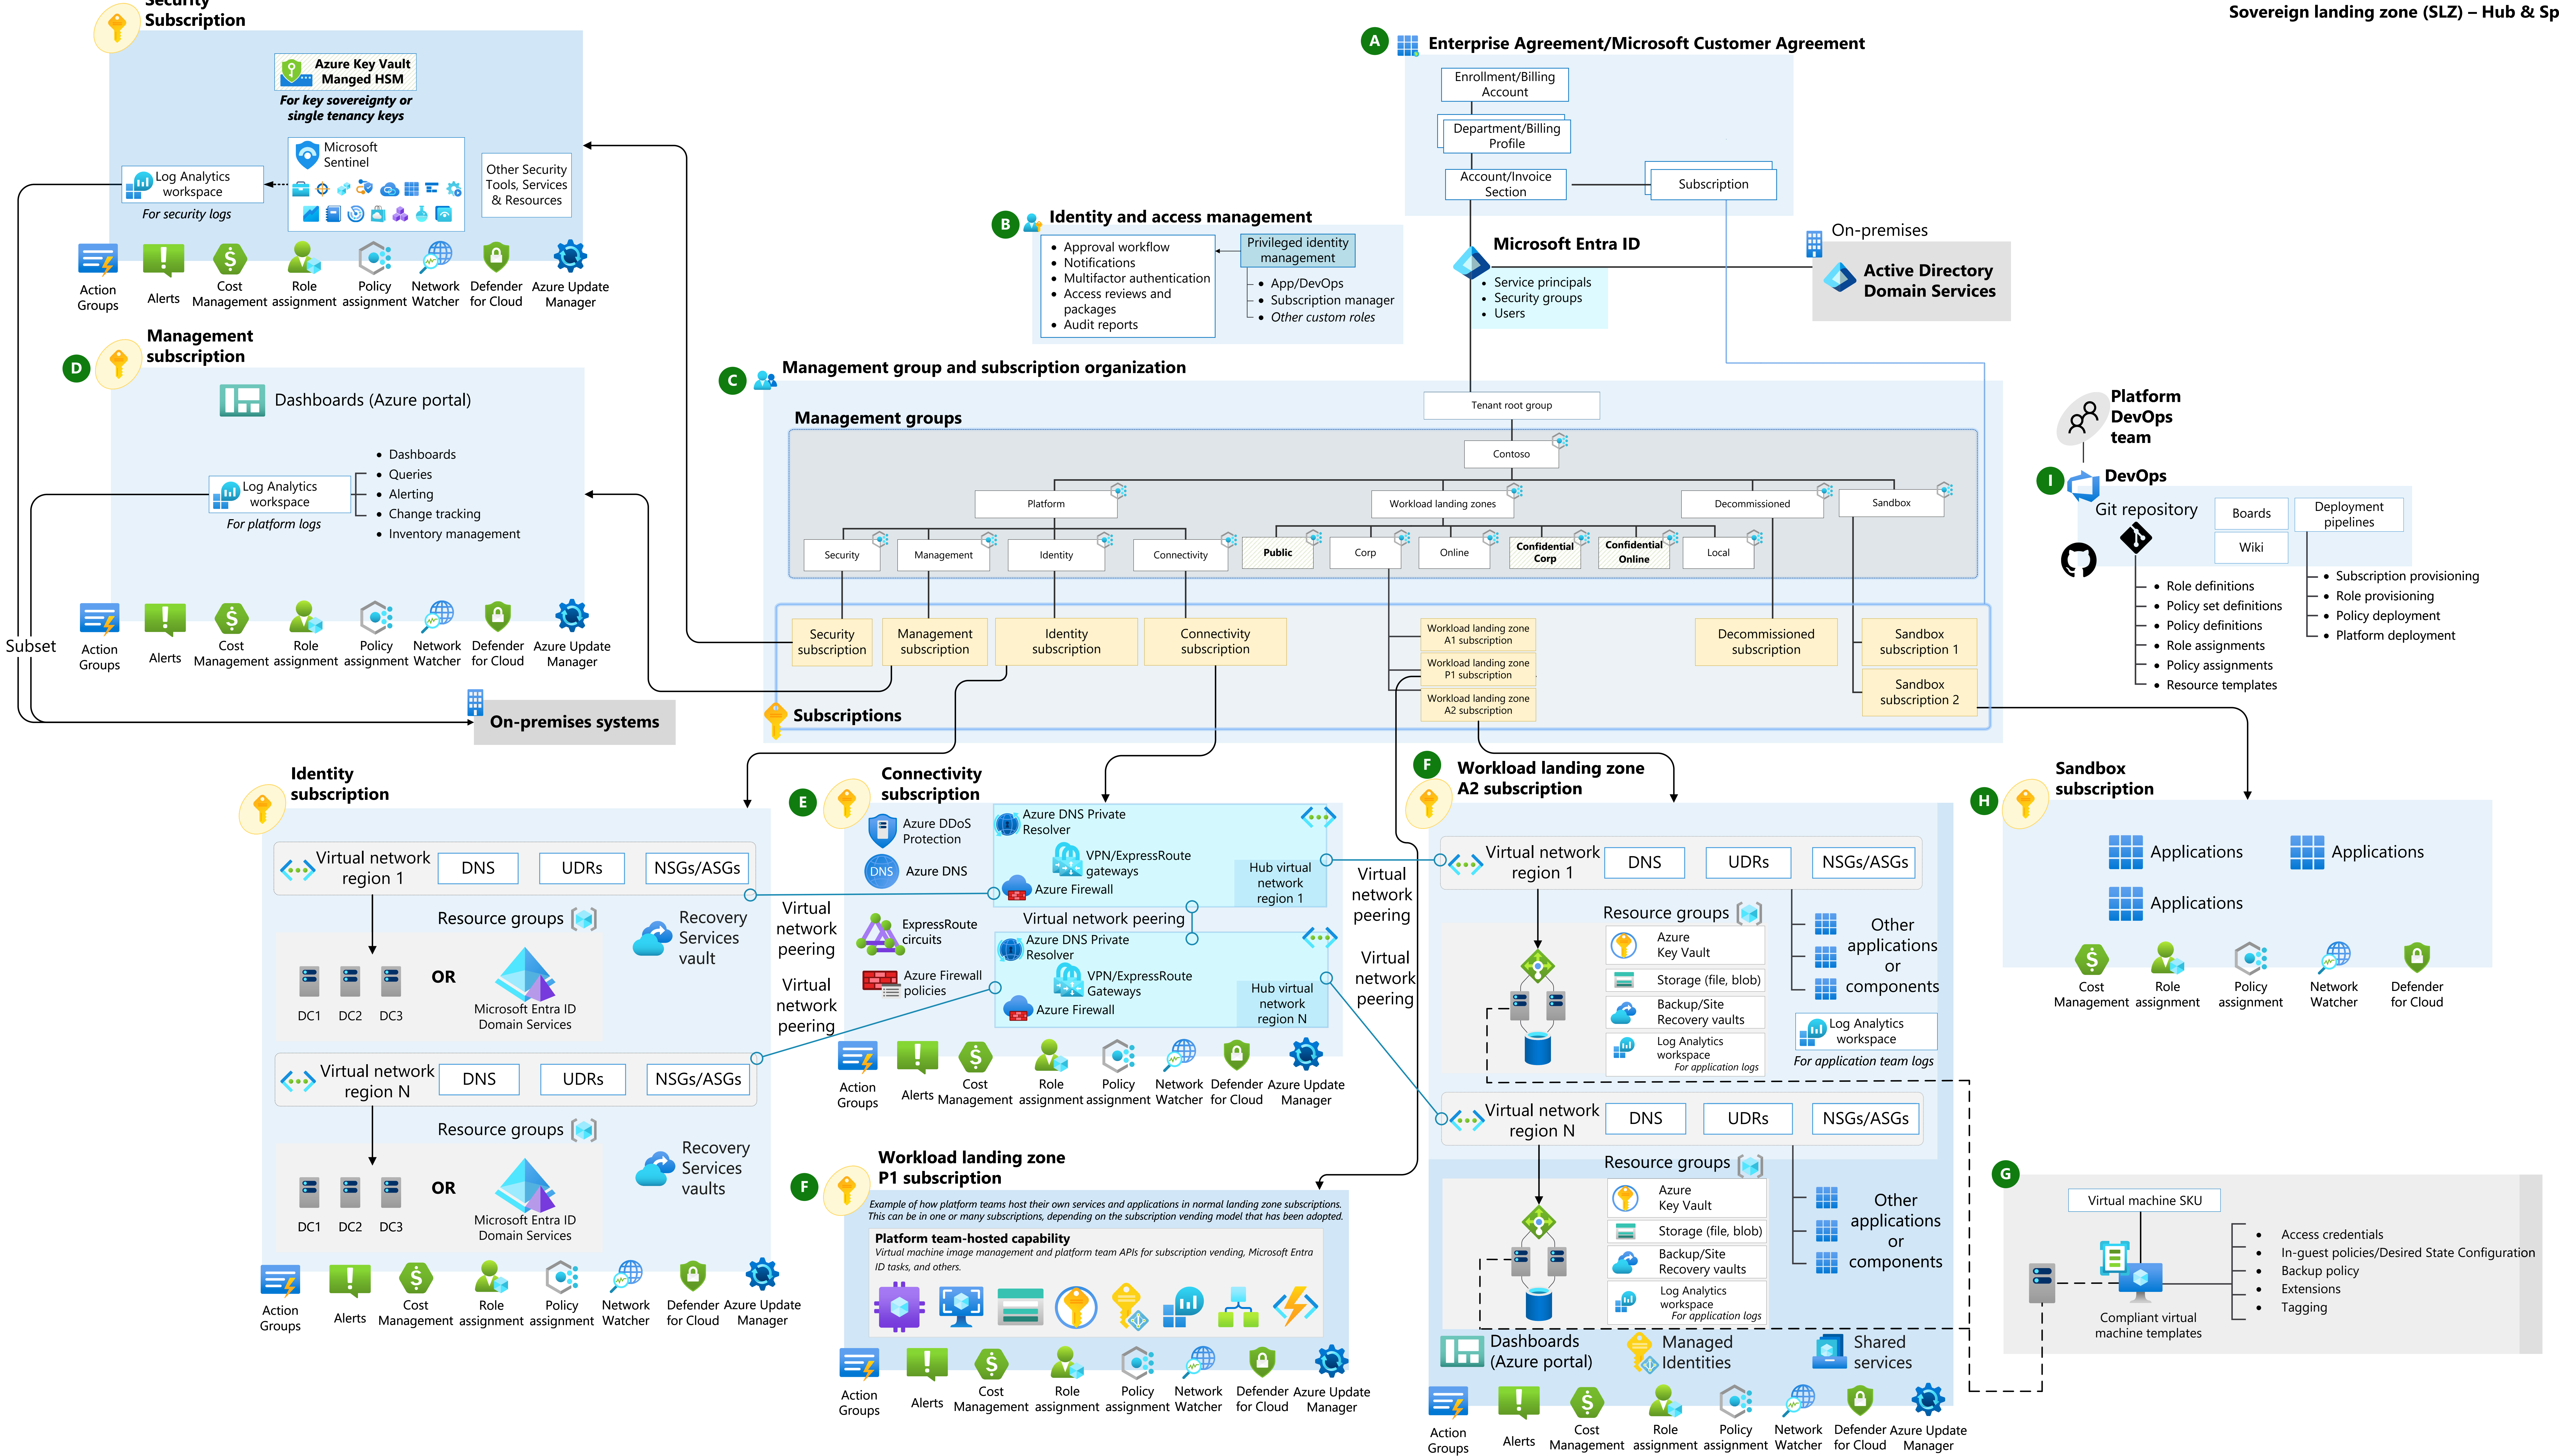

If you don't know which one, we suggest you start with either "ALZ Hub & Spoke", "ALZ VWAN", or "ALZ Terminology".

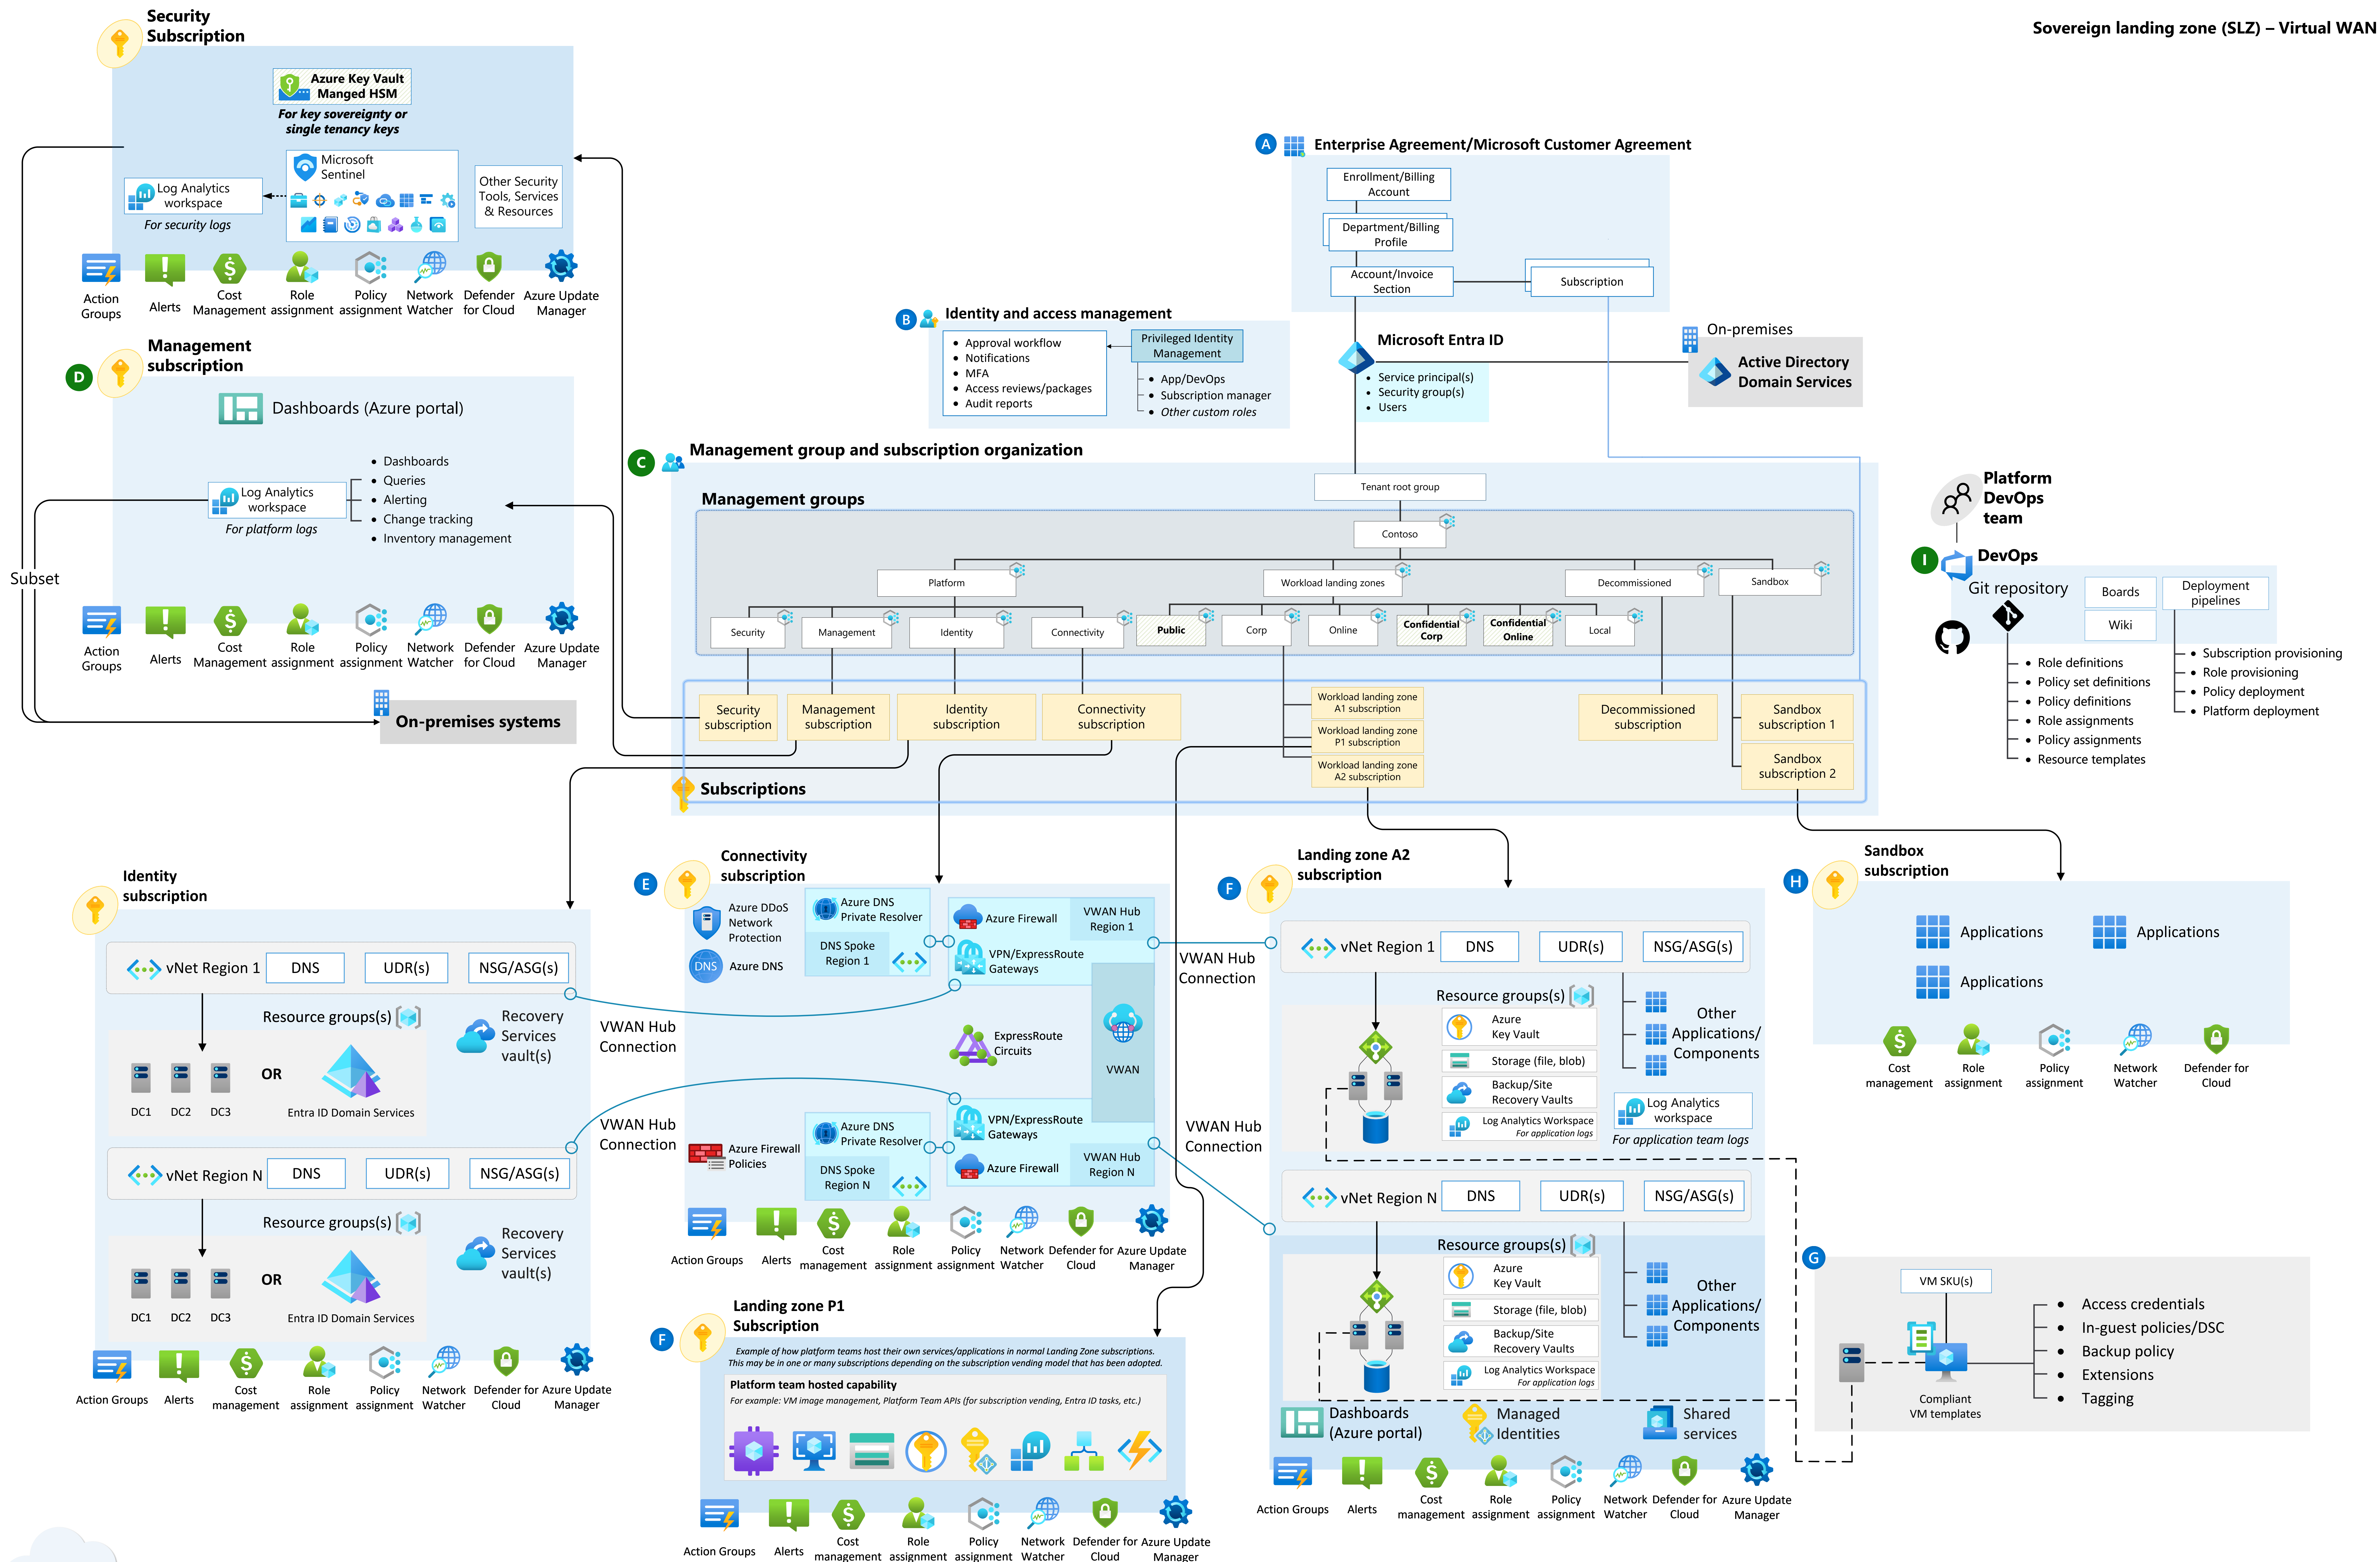

It also contains the diagrams for Sovereign landing zone (SLZ). See "SLZ Hub & Spoke", "SLZ VWAN", or "SLZ Hierarchy".
